

First Baptist Church of Penfield - 2024 Retreat

Saturday, November 2, 10am-4pm, Quinzi Lodge, Eyer Park, East Rochester, NY 14445

Alive in the Stories of Christian Faith

When a church gathers in the sacred art of storytelling, people draw closer in fellowship and learn more about Christ's presence in each other's lives and in the life of the church. Together, we listen and tell stories of faith to strengthen our spiritual lives and deepen our love of God. The day will provide a balanced blend of worship, story presentations, and group discussion. People will enjoy fellowship and fun, learning and listening.
